Solid Surfaces

Your Design Solution

Downy White

STRETCH YOUR IMAGINATION WITH STARON FOR INFINITE POSSIBILITIES.

TIMELESS BEAUTY

From intricately detailed veining to lustrous muted waves

The upgraded **Supreme Collection** draws its inspiration from the timeless allure of marble, featuring the mesmerizing movements and intricate crack patterns found in nature. Each exquisite design captures the authentic colors and detailed patterns of genuine stone. Delivering an impeccably smooth surface with timeless elegance.

Experience the timeless charm of Downy Grey with deep textures and enduring design with various light performances. Downy Cream and Downy Dove embrace the touch of tranquility to your interior design with feather-like soft colors and subtle patterns.

Find the beauty and practicality in one surface for your next project.

Discover our superior surfaces in the new **Supreme Collections**.

RELIABLE PERFORMANCE

- Cutting-edge technology sets a new standard in surface
- inconspicuous repairment available for its homogenous composition

HYGIENIC SURFACE

- Non-porous surface inhibits growth of mold or bacteria
- Resistant to heat and abrasion
- Refurbishment to a new condition available

DIMENSIONAL FLEXIBILITY

- Thermo-formable into three-dimensional shapes
- Excellent workability for unlimited design possibilities

INFINITE RANGE OF COLORS

- Over 150 color options ranging from natural to vivid
- Ongoing collaboration with color trend experts to stay commercially relevant

IMPERCEPTIBLE SEAMS

- Consistent color and texture on every sheet provides a smooth and seamless surface
- Installed without gaps, crevices, or obvious joint-lines

TRANSLUCENCY

- Creative back-lighting effects via diversified material thickness, allowing transmission from low-energy light source

GLOBAL NETWORK

- Regional branch offices and worldwide product distribution networks

RELIABLE QUALITY

- Advanced quality control policy and a commercial 10-year warranty
- Certified eco-friendly by Greenguard and Scientific Certification System

Ultra-Hygienic Material Solution for Healthcare

evermoin

The healthiest choice for your design

evermoin® Ultra-Hygienic material/surface from staron® can be applied to almost any interior space within a healthcare facility. Imagine casework, work-stations and wall-cladding in a functional and renewable material that is durable as well as ultra-hygienic.

Achieve the perfect blend of simplicity in design with an ultra-hygienic surface that is engineered for a healthier life.

Benefit of evermoin®

 <p>Ultra-Hygienic</p>	 <p>Durability</p>	 <p>Safety</p>
<p>Speedy ultra-hygienic effect and action on representative bacteria and fungi</p>	<p>Excellent Ultra-Hygienic retention and Confirmed quality on stability and durability</p>	<p>Material certification harmless to human body and environment (EPA, NSF, FDA)</p>

Safety Properties

Obtained certification, such as Japan SIAA, US NSF, and FDA, that guarantees sanitary safety and reliability to be harmless to human environments.

<p>Harmless to human body</p>  <p>SIAA Society of International sustaining growth for Ultra-Hygienic Articles</p>	<p>Safe for food contact</p>  <p>NSF National Sanitation Foundation</p>

NEW TEMPEST STELLA

The previously flashy identity of the Tempest was left behind, creating a sense of luxury that is not burdensome by combining the colors commonly used in interior design. Utilizing a foundation of White, with complementary additions of Beige and Grey.

SINKS & BOWLS

Staron solid surface sinks and bowls can be installed together with the all-acrylic sheet to achieve a seamless appearance and more smooth and polished fit. The continuous transition from sink to surface leaves no seams for bacteria or mold to accumulate and grow, making Staron's non-porous solid surfaces as the most desirable choice for hygienic interior commercial applications. Staron sinks come in five following colors in sixteen popular models:
